High School Academic Tutors and Test Prep Tutors (Contractor positions)

We're looking to hire multiple Tutors to work in our Chester Springs Learning Center. If you excel academically, have strong communication skills, are patient and committed to motivating students to succeed, and live or work close to Chester County, we're looking forward to meeting you!

Teacher Description:

We're currently looking to hire academically talented tutors and are particularly in need of tutors strong in math.

- Flexible hours -- We need tutors to be able to work at least 10 hours per week. Weekend availability highly valued. Successful tutors will receive additional opportunities, bonuses, and increased compensation.
- Most tutoring takes place at a bricks-and-mortar location. Our learning center is a welcoming established environment staffed with supportive managers and fellow tutors.
- Competitive compensation; regular increases and expanding opportunities
- Comprehensive course materials and training provided

Requirements:

- Strength in math and test-taking strategies; excellent work ethic; dependability; passion to motivate children to succeed
- Strong references
- Reliable transportation
- Strong mathematicians, Certified Teachers, Graduate students, Substitute Teachers, Education majors, Math or Science majors encouraged to apply
